The New PS4 Game – Spider Man

During Chinese New Year, my father bought me a PS4. I was so happy.

Last week, he bought a new PS4 game, “Spider-Man”. This game is so much fun. In the game, you can control “Spider-Man” to climb up walls, swing from one building to another and shoot out spider webs.

I play this game with my father every Saturday. My mother and my sister do not join us because they are not interested in it at all. I think “Spider-Man” is really the most iconic super hero in the world. I like this game very much.

A Letter to Billy

10th May, 2019

Dear Billy,

I am glad to receive your letter. How are you? I know you want to be a doctor. Let me tell you about my dream job. I want to be a teacher. I want to teach students English and take care of them.

Teachers work at a school. They wear neat clothing for work.

It is hard to be a teacher. They need to get a bachelor's degree before they can become teachers. I need to study hard and work towards my goal.

Exam is coming. Let's work hard for it together.

Best wishes!

Yours,
Susan
