

A magician and a princess

Once upon a time, there was a king. He had a daughter. One day, when the king went into his daughter's room, he found that the princess was lying in bed. She was sick and felt tired and exhausted. The king was worried and said, 'My daughter is ill. I need to call the doctors.'

An hour later, the doctors came and tried to help the princess. After checking the princess's body, the doctors were very disappointed. The King was worried and asked, 'Doctors, can you help my daughter?' The doctor shook their heads and answered, 'Sorry! Your Majesty, the princess is seriously ill, we can't help.' The king was disappointed and looked so sad. He thought, 'Who can help her?'

After the doctors went away, a man knocked the door. The king thought if it was the doctor who had an idea to help his daughter. The king opened the door immediately. When the door opened, he saw a young handsome man said, 'Hello! Your Majesty. I'm a magician. Let me try. I can help.' The young magician took out a bottle of magic water and said, 'Your Majesty, please give the princess to drink it. She will not be sick anymore again.' The king gave his daughter to drink. Suddenly the princess's eyes were wide awake and became beautiful again. The king was surprised and amazed.

At last, the king thanked the magician and said, 'I'm so proud of you, young magician. I promised, my daughter will marry you and be your wife.' At last, the magician and the princess lived in the palace happily ever after.

A letter to Frank

23rd January, 2019

Dear Frank,

How are you? I am glad you are going to Hong Kong and visit me in Chinese New Year. I am sorry that I did not write back earlier.

I am very excited on the coming Chinese New Year. We can do a lot of things. On the third of February , we are going to go to the flower market in Mong Kok. We are going to buy some flowers and mandarin trees. We can also buy windmills.

On the fifth of February, we are going to visit my grandpa and have dinner with him. After that, we will watch the night parade and lion dance in Tsim Sha Tsui.

On the ninth of the February, it is my dad's birthday, so we are going to go to Ocean Park. First we are going to take the cable car. Then we will watch the dolphin show. After that, we are going to ride on the roller coaster. When we are hungry, we will buy some food. Then we are going to play the flying swing. At last, we will buy some souvenirs. I hope you like my suggestions. Please write back soon!

Love,
Jolly
